Step 2. When is my collection day?

*Please see
reverse side for
collection information.*

Step 3. Cart Placement

Place your carts at the curb or edge of the street or alley with the wheels and handle facing toward your house (away from the street). Be sure there is a minimum clearance of three (3) feet on all sides of the carts, including mailboxes, trees, cars etc. The trash and recycling carts also need to be placed three (3) feet apart from each other. This will allow the automated truck arm to safely reach the carts and dump them into the trash or recycling truck.

Please have your
garbage and recycle
carts out by 7:00AM.

What if this tag appears on my cart?

Your container has a material that cannot be accepted for recycling. Please contact our office to correct the mistake and schedule a return collection.
